Suggested transfer preparation at Highline College

One year of coursework, with courses carefully selected to fulfill much of SPU's [General Education](#) (GE) requirements -- consult the Transfer Equivalency Guide ([TEG](#)) to see which Bellevue College courses fulfill each requirement.

The Apparel Design major includes classes that fulfill the WKA (Ways of Knowing in the Arts) requirement, and the CUE (Cultural Understanding and Engagement) requirement.

Students may transfer with an approved transfer degree (which complete all of SPU's general education requirements except 10-15 credits of University Foundations); however, because of sequencing, courses for SPU's Apparel Design major take three years to complete.
